

# IS YOUR HOME CHRISTMAS ready?

1

## Allow appropriate room for landing

- An even surface such as a rooftop or balcony make the best landing pad.
- Ideal dimenstions are 30 x 16 candycanes.

2

## Keep your entrance clear from obstructions

- Trip hazzards such as toys or intoxicated millenials can be dangerous
- Working fireplaces should be switched off before bedtime

3

## Provide the perfect milk & cookie ratio

- Cups should be filled at least 4 old-person fingers high with your milk of preference
- For optimal results, aim for a one bite to sip cookie/milk ratio\*

\*Multiple cookies may be required, depending on the size of your old-person's fingers
